TIE 100

| NaT | EASTERN | KINETIC MILITARY STRIKE

Ukrainian Forces Conduct Operations in Lipetsk and Krasnodar Krai

K:6 T:8 E:7REL:60%BIAS:Pro-Ukraine

Simultaneous strikes targeting strategic Russian energy logistics (oil terminal) and localized military logistics/force projection (river boat base, ammo depot). Aims to degrade fuel supply and disrupt rear-area support for frontline units.

TIE 100

| NaT | EASTERN | REFINERY

Ukrainian Forces Strike Tamanneftegaz Oil Terminal in Krasnodar Krai

K:7 T:9 E:7REL:55%BIAS:Neutral

High-value strikes on critical energy infrastructure (oil terminals, storage facilities) and military targets (airfields, repair units, ammo depots) to disrupt Russian logistics and military operations.

TIE 100

| NaT | EASTERN | MILITARY BASE

Ukrainian Forces Strike Radar Station and Military Depots in Crimea and Zaporizh

K:8 T:7 E:7REL:54%BIAS:Neutral

High-value coordinated strikes targeting Russian air defense capabilities (S-400 launchers, Nebo-U radar), logistics (fuel/ammo depots, drone storage), command elements (GRU special forces command post), and troop concentrations. Represents multi-domain targeting across Crimea, Zaporizhzhia, Donetsk

TIE 100

| NaT | ENERGY | CIVILIAN FACILITY

Russian Drone Attack on Kryvyi Rih

K:8 T:8 E:6REL:55%BIAS:Neutral

Large-scale coordinated attack targeting both energy infrastructure (strategic objective to degrade civilian resilience) and residential areas (terror bombing to demoralize population). Use of hypersonic missiles indicates attempt to overcome air defenses.

TIE 100

| NaT | EASTERN | REFINERY

Ukrainian Forces Conduct Strike on Slavyansk Oil Refinery in Krasnodar Krai

K:7 T:9 E:6REL:56%BIAS:Neutral

High-value strategic target - oil refinery processing 5.2 million tons annually supplying fuel to Russian military forces, located 400km inside Russian territory
